

PAY-AS-YOU-GO
TAXES VOTED
BY COMMITTEEBacks Deduction
of War
1942 Bills.

March 10—The committee on finance in the Ohio House today voted to approve a bill providing for a pay-as-you-go tax system.

The bill provides that the state will advance the taxes against the pay-as-you-go checks which would be issued by the state.

The bill also provides that the state will advance the taxes against the pay-as-you-go checks which would be issued by the state.

FLEXIBILITY is the outstanding quality of a new quarter-ton, four-wheel-drive amphibian car produced by the Ford Motor Co. for war use. Two of the machines are pictured above being driven in water. No steering gear changeover is needed when the vehicle is driven from land into water.

War Summary

RUSSIA — Reinforced German army pushes Russians back 100 miles and recaptures eight cities.

TUNISIA — Sharp patrol action marks Eighth army drive against Mareth line.

MUNICH — Great fires set in birthplace of Nazi party by RAF's big bombers. 11 planes lost.

Weapons To Be Collected Here for Use of Navy

A campaign to collect shot, guns, rifles, and revolvers of all descriptions, small arms ammunition, web cartridge belts and bayonets for the United States Navy will be launched within a few days by Bird-McGinnis Post No. 162, American Legion.

Action to join in the statewide drive was taken at a meeting last night in the Legion dugout.

Martin W. Coffey, commander of the Ohio Department of the Legion, said he had had a call from the Ninth Naval District in Chicago last Thursday, to the effect that the Navy and the Coast Guard need the guns at once.

E. M. Breihaupt was appointed chairman of the committee to conduct the drive.

As soon as a sufficient quantity of guns and ammunition is collected to warrant making up a shipment, they will be sent to the U. S. Naval armory at Toledo.

Martin C. Lewis, son of Mr. and Mrs. Harley F. Lewis of 357 Brightwood drive, was announced as the first man of World War II to become a member of the post.

Lewis, who was inducted in the Army last Thursday at Fort Hayes, was given an honorable discharge from the Army air corps last August at Kelly Field, Tex., when physicians discovered a heart murmur. From August until last week he was employed as a storekeeper at the Marion Engineer Depot.

A contribution was made to the campaign of Marion Volunteer 48, 40 at 8, for a fund to buy playing cards for the men in overseas service.

The post voted that in future all service members on furlough will be eligible to attend the meetings of the post. Two hundred and forty-one paid up members were announced in the membership drive now under way. An award of war savings stamps was won by Arthur Craven.

WAAC RECRUITER TO BE IN MARION EACH MONDAY

Also To Be at Post Office in Bucyrus, Delaware.

A WAAC recruiter will be on duty at the Marion post office on Monday of each week to interview interested applicants, according to a report today from Capt. Frank Ruvio, district commander.

Arrangements for the setting up of a recruiting station here were made last week by Lt. Ann Duffy in conference here with Postmaster L. L. Lamborn and Mrs. L. M. Sherman of the auxiliary to Bird-McGinnis Post No. 162, American Legion.

Mrs. Sherman, who is acting as civilian recruiter for the WAAC, said a member of the auxiliary will be on duty with the Army woman. Throughout the country the Legion Auxiliary has been designated to assist in recruiting women for Army service.

Delaware and Bucyrus also will be visited by WAAC recruiters on Mondays, Captain Ruvio announced. Post offices will be the recruiting stations.

U. S. SHIP SUNK

LONDON, March 10—Sixty-six survivors of a torpedoed United States freighter have landed at a British port, the United States shipping board announced. Nine of the crew are missing.

BOMBERS SET MUNICH FIRES

Eleven Planes Lost in Raid; 12th on German Territory in 14 Nights.

LONDON, March 10—Britain's biggest bombers took to the air last night to blast Munich, "Cradle of the Nazi party" and seat of important war industries, in the twelfth RAF assault upon the continent in 14 nights, it was announced today.

"Last night aircraft of the bomber command made a heavy attack on industrial objectives at Munich," a British air ministry communiqué said.

"Other aircraft bombed targets in western Germany and laid mines in enemy waters."

"Eleven of our aircraft are missing."

It was the second consecutive night of the day into southern Germany. The big British bombers made the 1,300-mile round trip from the London base to the target in Munich after a heavy assault on Nuremberg Monday night in which Swiss press reports said the old center of that Nazi party stamping ground was razed.

The Germans in broadcasts early today admitted damage had been done in the Munich assault. Canadians, who again participated strongly in the attack, said the entire heart of Munich appeared to be "one big fire" at one time, with one explosion shooting flames nearly 2,000 feet into the air and starting a column of fire visible for 60 miles despite other big fires around it.

"The flash lasted four or five minutes," the communiqué said.

RED CROSS WORKERS TO REPORT TONIGHT

15 More Concerns Added to Drive Honor Roll.

All workers who have not reported on their progress in the Red Cross war fund campaign to raise \$30,000 in Marion county are urged to make their reports tonight at 7:30 at the war fund headquarters at 130 East Center street.

The second report meeting will be brief and will be confined to the tabulating of the workers' reports, J. D. Torrance, drive chairman, announced.

Fifteen more Marion concerns today were added to the honor roll of those that have made or exceeded quotas.

The latest additions are Frank Bros. Co., Henney & Cooper drug store, Bowe Ice Cream Co., Pure Oil Co., Houghton Sulky Co., Colonial Poultry Farms, Marion Foundry Co., Goodyear Service, Marion Glass Mfg. Co., Whitcomb Hide & Fuel Co., Marion County bank, Fahey Banking Co., Marion Federal Savings & Loan Co., Anson Pickard, Inc. and the A. W. Kette Insurance agency.

A broadcast of the report meeting will be made at 8:30 by Station WMRN from the Victory House on the courthouse grounds.

Mme. Chiang Determined To Continue U. S. Tour

NEW YORK, March 10—Madame Chiang Kai-shek, refusing to follow physicians' advice that she abandon her transcontinental tour, will begin the trip in about a week instead of tomorrow as originally planned.

The postponement, announced by a member of her entourage, was described as a compromise between Mme. Chiang's determination to appear in Chicago, San Francisco, Los Angeles and Ottawa, and physicians' wishes that she terminate her tour now.

The first lady of China, underwent an operation shortly after her arrival in the United States Nov. 27.

NAZIS PUSH REDS BACK 100 MILES, RECAPTURE 8 CITIES

STAGE ALL SET FOR DIMOUT OF MARION COUNTY

Whistles, Phones and Radio To Be Used To Spread Signal Tomorrow Night.

Factory whistles, telephone and radio will be utilized to signal the city's participation in the first countywide dimout Thursday night.

Although the time was not announced, William R. Martin, city coordinator of civilian defense, said it would be early enough that residents in the rural area would have lights still burning.

Cooperating in the dimout will be the CD councils at Prospect, LaRue, Green Camp, Agosta, Norwalk, Caledonia and Waiko.

The LaRue council is responsible for the village of Meeker and the Caledonia council is in charge at Martel, Claridon and Kirkpatrick.

Out in the county the various CD set-ups will use their own signaling devices after the first alert is telephoned by the city police department.

Locally, because the WPB will not approve priorities on equipment to install seven new electric sirens purchased by the CD council, residents were urged today to stay tuned to Station WMRN for developments and for broadcasts of the signals.

Mobilization Summons

Sustained sounding of factory whistles, together with telephone orders, will mobilize the various civilian defense units.

Within approximately 30 minutes after the first whistle blast another sustained sounding of whistles for approximately two minutes, will be the signal for residents of the city to extinguish all lights, unless their homes or places of business are equipped with blackout curtains. Radios should be in a place where dim lights will not be visible from the street.

Street lights in the residential area will be turned off and in the downtown business section alternate street lights will burn.

To be a successful dimout, no lights should be burning except the few street lights in the downtown area, the traffic lights, dimmed headlights of motor vehicles, and the lights of the war production plants. All neon signs, outdoor display signs, store windows and places of business should be blacked out.

Traffic, both pedestrian and vehicular, will be permitted to move during the dimout but pedestrians take extra precaution in crossing streets.

The "all clear" will be signaled only by Station WMRN. Persons who do not have radios will know the dimout is over when the street lights are turned on.

"All regulations pertaining to a blackout will be enforced," Mr. Martin said.

Penalties for Violation

The city's ordinance on blackouts prescribes a fine of not more than \$500 or six months imprisonment.

Two Marion Boys, Together in Army Since Induction, Missing in Action

Parents of Pfc. Robert Johnston and Pvt. Owen E. Hogan Get Messages Same Day: With Same Company in North Africa.

Two Marion youths who went into Army service together and remained together throughout their infantry training and afterwards, have been reported missing in action in the North African area since Feb. 17.

They are Pfc. Robert William Johnston, son of Mr. and Mrs. Robert E. Johnston of 219 Silver street, and Pvt. Owen E. Hogan, son of Mr. and Mrs. H. F. Hogan of 561 North Main street.

Both families received telegrams Monday from the secretary of war.

Marion Seaman Is Jap Prisoner in Philippines

Harold E. Thomas, Previously Reported Missing, Listed in New Naval Report.

Harold Eugene Thomas, reported last May 11 as missing in action in the Manila Bay area, is a prisoner of war of the Japanese government in the Philippines, the Bureau of Naval Personnel at Washington this morning notified his mother, Mrs. Viola Lingo of 317 South Vine street.

The bureau said its information had come in a cablegram from the Red Cross in the Philippines.

Thomas, a coxswain in the U. S. Navy, enlisted in the Navy in December of 1938, the year he was a junior at Harding High school.

Following completion of training at Norfolk, Va., he was assigned to the Pacific fleet.

The last letter his mother received came last May 9. It had been written in February and was to reassure her that he had recovered from an illness that had hospitalized him at the government base hospital at Canacao in the Philippines. He was in the hospital when Pearl Harbor was bombed.

Coxswain Thomas is the brother of Mrs. Gerald Jennings of 1006 East Church street and a half-brother of Mrs. Pauline Irwin of 1211 South Vine street and James Lingo Jr. of Shelby, who will go into Army service the last of this month. His stepfather, James Lingo, is a city carrier for the Marion post office.

CEILING TO LOWER PRICE ON LIVE HOGS

\$14.50 Limit Expected Under Proposed Action.

WASHINGTON, March 10—The government was reported today preparing to force a reduction in live hog prices and to allow a slight increase in corn prices in an effort to pry loose some of the feed grain needed by livestock producers.

Authoritative sources, that cannot be quoted, said Economic Stabilization Director James H. Byrnes and Price Administrator Prentiss Brown had decided to impose ceilings on hogs at around \$14.50 per hundred pounds, Chicago basis, or about \$1.50 below recent top prices, and to increase corn ceiling prices from \$1 to \$1.08 a bushel, Chicago basis.

The proposed increase in corn ceilings had the approval of Secretary of Agriculture Wickard, but not the hog ceiling.

The prospective dual corn-hog price ceiling action was advanced by Byrnes and Brown as a method of freezing supplies of corn held on farms and in commercial markets for higher prices.

Ohio Girl Falls Dead at Miami University

OXFORD, O., March 10—Miss Marcia Henry, 19, of Lisbon, O., fell dead today in a classroom at Miami university where she was a junior student in the school of education.

Dr. John D. Schonwald, director of the university's health service, attributed death to a coronary occlusion.

Miss Henry had been in apparent good health, clinic records showed. She was talking, prior to a special class in art, with the instructor, Miss Eleanor Heinz.

"She remarked," Miss Heinz said, "that she needed change for a quarter. I went to get it for her. When I returned, she was on the floor."

The girl was the daughter of Mr. and Mrs. M. E. Henry of Lisbon. Notified by university authorities, they requested return of the body to her home.

Marion Girl Reunited With Family After Twenty-One Year Separation

Meets Father, Sister, Grandmother She Had Not Seen Since She Was Two Years Old; Finds Brother Is in Army.

After 21 years of having no family, a Marion girl has found that she has a father, a sister, a brother and a grandmother. That is the experience of Mrs. Merle Zieg, 22, of 246 Homer street.

For more than 10 years Mrs. Zieg, formerly Miss Lucille Ballenger, has known she was the adopted daughter of Mrs. Thomas Ballenger of Vermilion, formerly of Marion. She knew that she was two years old when she was adopted from the children's home at Lima.

Sunday Mrs. Zieg and her husband, a city fireman, visited in Tiffin with her 26-year-old sister who had been adopted by another family and is known as Miss Marcella Buckman, and her father, Julius Roessner of Lima, and her grandmother, Mrs. Emma Wheeler of Lima. Her grandmother knew her instantly. Her new-found brother, Robert Roessner, 27, is in the Army, stationed at Camp Wolters, Tex.

Mother Killed in Accident

Twenty-one years ago on Christmas eve Mrs. Zieg's mother was killed in a train wreck. The family lived in Lima and the three children were placed in the children's home there. The two girls were adopted. The boy lived in several different homes on several occasions. About four years ago he began to wonder seriously about his family. He started walking around Lima and finally found a house that looked like it

Marion, Bucyrus Drop Quotations Temporarily

The Marion Union Stock yard and the Bucyrus Live-stock Commission Co., the two large terminal stockyards between Columbus and Fostoria, discontinued quoting hog prices for several hours this morning.

Later, however, the Marion yards announced quotations setting down from a top of \$14.50 for 160-200 lb. animals to \$13 for roughs. The management explained that the prices posted about noon today are based on the assumption the government will act quickly to peg prices, H. B. Rothenberger, manager of the Marion yards, said the outlook appeared certain enough to justify renewing operations at once, although for several hours the yards had been closed.

R. M. Ward, manager of the Bucyrus yards, said he expected to resume buying and selling Thursday or as soon as the market settled.

The brief shutdown of the hog market, unprecedented in the

HITS AT BUREAUS. In a letter to President Roosevelt, Rep. Claude Luce (above) warned against forgetting home front problems while concentrating on the global war. She wrote that such governmental bodies as the WPB require the President's personal attention.

HEAD OF WAR PLANT ARRIVES

Maj. P. S. Irvine Takes Command of Scioto Ordnance Works.

Major P. S. Irvine arrived in Marion yesterday from the Pantex Ordnance Plant at Amarillo, Tex., to become commanding officer of the Scioto Ordnance Plant.

The new commanding officer, 30 years old, has been in active service with the Ordnance department since October of 1940 and prior to his military service was an industrial engineer in private industry.

Mrs. Irvine and their four children, Jane, 10, Joanne, 8, John, 4, and Jill, nine months, are expected to arrive in Marion late this week. They plan to make their home on the plant area.

Major Irvine (pronounced Irvin) had been at the Pantex Ordnance Plant since April of 1942, first as executive officer. He was made commanding officer a month later. Before going to Pantex, he was at the Edgewood Ordnance Plant at Joliet, Ill., as engineering officer and executive officer from October of 1940 to April, 1942.

Following his graduation from the University of Iowa in 1929 with a bachelor of science degree in mechanical engineering, he worked for the John Deere farm machinery manufacturing concern at Moline, Ill., and later was with the Meco Westco Co. at Davenport, Ia., as industrial engineer. He later was with the American Steel & Wire Co. at Joliet, Ill., in the same kind of work before entering military service.

He is a native of Cambridge, Mass., but moved to his boyhood in Illinois. His hobby is photography, principally movies.

WOMEN'S WORK WEEK EXTENSION OPPOSED

Bill Lifting Hour Limits Faces Bricker Veto.

COLUMBUS, O., March 10—Gov. Bricker was reported today to have threatened veto of any legislation allowing war plants to work women unlimited hours.

A bill now being considered by the senate commerce and labor subcommittee would remove all restrictions on the hours which 18 or older could work in war production and would increase the maximum work week in most other industries from 48 hours to 54.

The law now restricts women in war plants to 45 hours a week. The governor was said to be agreeable to a 54-hour week in war industries with provisions for the state director of industrial relations to approve longer hours if he found that emergency conditions necessitated extra time.

The senate subcommittee, which is preparing its third bill in an effort to meet objections of labor to unlimited working hours, was so concerned by the governor's attitude that Senator Fred G. Reimers of Cincinnati said the report would be submitted to

GERMANS RUSH MORE TROOPS INTO RUSSIA

In Tunisia 8th Army Starts Series of Patrol Drives Against Rommel.

By The Associated Press

Swept back 100 miles with the loss of eight key cities, Russia's armies battled desperately to save the great prize of their 112-day-old winter offensive today as Adolf Hitler threw approximately 375,000 troops reinforcements into a counter drive against Kharkov and the upper Donets river valley.

On the Tunisian front, allied headquarters reported that Gen. Sir Bernard L. Montgomery's British 8th army had begun sharp patrol forays all along the 60-mile Mareth line in southern Tunisia after crushing six axis counterattacks.

With Field Marshal Erwin Rommel's forces driven back into the hills behind the Mareth works, hard hit by the loss of 53 tanks, it appeared that Gen. Montgomery was preparing to take the offensive and that a climactic assault on the Mareth defense system was near.

A communiqué from Gen. Dwight D. Eisenhower's headquarters said allied patrols were also "extremely active in Northern Tunisia, particularly in the Sidi-Jeanne sector, 35 miles west of the big axis naval base at Bizerte."

Nazis Lose Heavily

"Fierce battles in which the German Panzer troops are suffering tremendous losses in men and material, especially in tanks, are continuing in the district to the south and west of Kharkov," Soviet headquarters announced.

The Germans yesterday claimed they had stormed back to a point 12 miles due west of Kharkov, the Soviet city, which the Russians recaptured last Feb. 19.

News of the front army's grave setback, imperiling the center of a 400-mile front from Orel in Rostov, was frankly acknowledged by the Russian command, which declared, however, that the Germans had lost 20,000 killed since the end of February.

While the situation was undoubtedly critical, military analysts saw no signs of a major Soviet collapse nor did the Germans make such a claim themselves.

"Italian" dispatches to Switzerland said Hitler had been able to transfer 349,000 troops from Germany to Russia because the allies had not established a "second front."

Lost Cities Listed

The eight lost cities marking the 100-mile retreat of Soviet troops were listed by the Russian command as Pervograd, only 35 miles from the Dnieper river bend; Krivoslad, Lazovaya, Krivosarmelsk, Kramatorsk, Derzhovka, Slavyansk and Lischansk.

There were also indications that the Russians were in danger of losing Voroshilovgrad, about 65 miles north of Rostov.

While Hitler drove into the heart of the Orel-Lisetsk front, the Red armies pushed their new offensive on the central front along the old Napoleonic road from Moscow to Smolensk and exerted heavy pressure around the key German base at Smolensk in the Lake Ilmen region.

Official Soviet dispatches said Russian shock troops had advanced within 10 miles of the German base at Vyazma, 135 miles west of Moscow, with the capture of Tumanovo on the Moscow-Smolensk railway.

The German radio reported that Bely, 80 miles southwest of Rostov, had been evacuated "according to plan" by German troops.

Bely is about 120 miles due west of Moscow and slightly

MULVAIN SETS HIGH MARK AS TEAM WINS

Dick Mulvaine, six-foot three senior star of the Harding High school basketball team, tallied 38 points, a new Central district Class A tournament scoring mark, as the Presidents dumped Grandview, 35-33, for its third upset victory.

Details of these and other tournament games appear on today's sports page.

U. W. U. TO GIVE TESTS FOR NEW NAVAL PROGRAM
Purpose Of Exams To Select Material For Officers.
DELAWARE, March 10 — Ohio Wesleyan university has been selected by the U. S. Navy to administer tests for a new Navy college training program, Allen C. Conger, registrar, announced yesterday.
The program will develop naval officers. High school seniors, high school graduates and college students who appear to have potentialities for ultimate selection as officers will be chosen for college training. The college training will be carried on while the men are on active duty, in uniform, receiving pay.
Ohio Wesleyan men who are in college on July 1 and who are members of the Naval Reserve now in operation, will automatically be reclassified to conform to the new program, Mr. Conger said.
The registrar pointed out that the giving of the tests at the university has no connection with the selection of the university as a training center nor will it mean that men tested here will be assigned to the university.
The first examination will be administered on Friday, April 2, between 9 and 11 a. m.
Further information on the plan and copies of the admission-identification blanks may be obtained at the registrar's office at the university.

Poll Shows Many Don't Know Income Tax Facts

By **GEORGE GALLUP**
Director, American Institute of Public Opinion
PRINCETON, N. J., March 10—Because of confusion regarding the income tax, and lack of information on the part of taxpayers, the treasury may be deprived of many millions of dollars of tax revenue this March 15.
On the basis of the latest facts gathered by interviewers for the institute in all areas of the country, Secretary Morgenthau may discover that many people who were supposed to file tax returns will not have done so, unless a heroic last-minute effort is made to inform the public as to the requirements of the present tax law.
If this is not done, the treasury not only stands to lose revenue, but many taxpayers may find themselves facing possible jail sentences for failure to comply with the law.
Interviewers questioned married men throughout the nation as to the amount a married person has to earn before it becomes necessary to file a tax return. When men who themselves are earning more than \$1,200 were asked this question, one-third either had no idea what the legal requirement is, or did not know that it affects married people with incomes as low as \$1,200.
Obviously a good many people will discover between the time they were interviewed and the time the tax is due, just how much money a married person has to make before it is necessary to file a return. But it is also obvious that, with so large a number ignorant of the true requirements, many will not discover in time that they must file unless a great educational campaign is put on between now and March 15.
In the case of single persons, the situation is even more disturbing. Even among those earning more than \$500 a year, only slightly more than one-half know that single people with incomes as low as \$500 must file a return.
These facts do not necessarily mean that one-third of all married men or one-half of all single persons who should file returns will not do so. But there is a clear indication that a considerable number will likely fail to file a return unless newspapers and radio stations are used in a great tax campaign.
Two Questions Asked
Field reporters for the institute talked with single persons and married men throughout the 48 states during the past week on various aspects of the income tax issue.
Single persons making more than \$500 a year were asked:
"Do you happen to know how much money a single person has to make last year before he has to file an income tax report this March 15?"
The results are:
HOW SINGLE PERSONS EARNING MORE THAN \$500 A YEAR ANSWERED
54% gave the correct figure (\$500)
31% named a higher figure
15% said they did not know
Married men earning more than \$1,200 a year were asked a similar question dealing with tax regulations for married persons, as follows:
"Do you happen to know how much money a married person has to make last year before he has to file an income tax report this March 15?"
The results are:
HOW MARRIED MEN EARNING MORE THAN \$1,200 A YEAR ANSWERED
61% gave the correct figure (\$1,200)
21% named a higher figure
18% said they did not know

8 OHIOANS LISTED AS JAP PRISONERS

War Department Announces New Group Today.
By **The Associated Press**
WASHINGTON, March 10 — The war department announced today the names of two Ohio army officers, five Ohio enlisted men and one Ohio marine who are held as prisoners of war by the Japanese government in Taiwan, Manila.
Army personnel:
Columbus—Col. Allen L. Stowell, Mrs. Frances M. Stowell, wife.
Cleveland Heights—Col. Everett C. Williams, Thomas M. Kirby, brother-in-law.
Navy personnel:
Bellair—Electrician's M. A. E. Third Class—Frank Francis Bushilla, John H. Bushilla, father.
Springfield—Petty Officer First Class—Lawrence Cooke, Mrs. Margaret Cooke, mother, Ohio Marine Corps.
Mansfield—Seaman First Class—Willard B. Linn, Benjamin C. Linn, father.
Ironton—Radiomen First Class—Clarence R. Martin, J. W. Martin, father.
Willard—Petty Officer First Class—Jarold E. Shields, Mrs. Verda Shields, mother.
Marine personnel:
Toledo—Pvt. Theodore W. Larson, Herman T. Larson, father, supply department, U. S. training school.

Delaware County Draft Call Increased Sharply

DELAWARE, March 10 — The Delaware county April draft call has been tripled, from 48 to 139 men, shattering expectations that the quota could be filled with little difficulty, selective service officials reported. The new quota is the largest assigned the county in any one month since last fall.
With the lists of single men virtually exhausted and with 70 married men expected to go into service this month, officials said the April call will necessarily be filled from the ranks of childless married men.

Plans To Abate Part of 1942 Tax Defeated

House Committee Votes Down Four Proposals.
By **The Associated Press**
WASHINGTON, March 10 — Two compromise proposals to the Ruml skip-a-year income tax plan that would have abated lesser amounts of 1942 tax liability were rejected yesterday by the house ways and means committee, thus failing to break the deadlock on pay-as-you-go taxation.
The plans rejected yesterday were:
Representative Robertson (D-Va.) to abate the six per cent normal and first bracket 12 per cent surtax on the first \$2,000 of 1942 income for all taxpayers. This would erase completely the 1942 federal income tax obligations for 70 per cent of the taxpayers; 80 per cent of taxpayers would be put on a current payment basis through a withholding tax to be deducted from earnings. The 10 per cent in the higher income brackets would continue paying their taxes as usual.
By Chairman Doughton (D-N.C.) to apply the much softer 1941 rates and exemptions to 1942 income and let the taxpayers amortize the remaining 1942 obligation over a relatively short period of time while simultaneously remitting on taxes for the current year. This would wipe out the 1942 tax altogether for a large number of persons and reduce the obligation for others.

CENTRAL OHIO IN BLACKOUT SECTION

Hardin, Wyandot and Crawford Counties Included.
By **The Associated Press**
COLUMBUS, O., March 10 — Ralph H. Stone, state defense director, today announced plans for a blackout of 20 industrially important counties, this month.
The second major test of the state's defenses against possible night air raids, like the first last week comprising 30 Ohio counties, is designed as a prelude to a statewide blackout later in the year, Stone declared.
Counties scheduled to participate in the test of local defense setups as approved by representatives of the state defense council are:
Allen, Ashland, Auglaize, Carroll, Crawford, Fulton, Hancock, Hardin, Harrison, Holmes, Mercer, Paulding, Putnam, Richland, Stark, Tuscarawas, Van Wert, Wayne, Williams and Wyandot.
State officials will inspect defense corps in the 9,000-square-mile area before a definite date is set for the test affecting approximately 780,000 persons.
With completion of this test 50 of Ohio's 88 counties will have participated in area blackouts, Stone said, adding that the entire state could be blacked out effectively, if necessary.
AT ASHLEY CHURCH
Dr. Howard Peterson, superintendent of the Mansfield district, will preach in Ashley Community Methodist church Sunday at 10 a. m. slow time. At 2 p. m. and 7:30 p. m., W.C.T.U. institute sessions will be held in the church. Dr. Ezra DeVoi will speak in the evening.

QUIT SPECIAL PARTIES

By **The Associated Press**
CLEVELAND, March 10 — The 1,650 members of the Cleveland Athletic club were advised that the club, the city's largest, would suspend private dinner parties or "entertainments" entailing restaurant services as long as food rationing prevails.

J. P. MORGAN RESTS AFTER HEART ATTACK

Condition Improves Although Banker Still Critically Ill.
By **The Associated Press**
BOCA GRANDE, Fla., March 10 — John Pierpont Morgan, whose name is synonymous with gigantic financial power, apparently was holding his own today at this resort where he suffered a recurrence of an old heart ailment.
The latest word from Gasparilla Inn, where three doctors are attending the 75-year-old international banker, was from Jack Veale, the manager, who said Morgan was resting easily, although his condition continued grave.
It was a week after he had been stricken that the first news of Morgan's illness was made public yesterday in a New York bulletin from famed 23 Wall Street, where his simple desk is the hub of huge financial enterprises.
The bulletin said Morgan had been in a critical condition but had shown improvement.
Indications that Morgan was making progress came from the fact that his son, Henry Sturgis Morgan, had left Boca Grande after visiting his father. Still at the bedside, however, is Mrs. George Nichols, Morgan's daughter. Morgan came here two weeks ago.

Marion Man Receives Degree at Cleveland

William B. Leffler, son of Mr. and Mrs. Carl W. Leffler of 224 South Greenwood street, received his degree in medicine from the school of medicine, Western Reserve university, Cleveland, at the graduation exercises held in the Allen Memorial library on the campus, Feb. 26. After spending a short vacation at his home here he will go to Boston where he will take his internship at the Boston City hospital.
A graduate of Harding High school he received his B. S. degree from Cleveland State college.

in 1916 to enter motion pictures under the guidance of D. W. Griffith.

Tully Marshall appeared in nearly 250 stage plays and 125 motion pictures.

When he was only five years old, the boy, whose family name was Phillips, played a small part with a vaudeville troupe which passed through his town. That was the beginning of a career which brought fame to Mr. Marshall as actor, producer and motion picture star.

The boy's budding career, however, nearly ended a year when he was 15 years old. He became a curtain lifter in a theater and his stage dreams came perilously close to being shattered by the tireless work. Before he was 20, however, his love for the theater had returned and he ran away from college four times and finally convinced his parents that he was determined upon a stage career.

In 1903 Mr. Marshall made his debut as "Fred Carter" in the play "Saragosa" at the Winter Garden theater in San Francisco. He went to New York with the famous Modjeska in 1907 and played in both comedies and tragedies. Later he returned to the Pacific coast and appeared in plays with Fanny Davenport, Margaret Mather and Rose Wood.

Returning to New York in 1909, Mr. Marshall played the principal comedy leads with the noted actor, E. H. Sothern. This association led to Mr. Marshall's greatest stage hit, "The City," in which he appeared from 1909 to 1911.

Mr. Marshall was born in Nevada City, Calif., April 13, 1864. He and the noted dramatist, Marion Neilsen, known to the public as "Marion Fairfax," were married in 1899.

His last stage appearance was as the star of "The Trap" in 1941 and the next year he and Mrs. Marshall went to California on a vacation. The actor was induced to enter motion pictures by David Wark Griffith. One of Mr. Marshall's greatest hits in films was his work in "The Covered Wagon."

ARMY EXAMINATIONS SET FOR STUDENTS

Specialized Training Tests Scheduled April 2.

By The Associated Press
WASHINGTON, March 10—High school and college students who have applied for the Army's specialized training program will be given examinations to check their qualifications April 2.

Results of the exams, to be taken at the schools, will not necessarily determine participation in the program, but will be considered along with subsequent Army tests, the war department said.

Youths under 18 who make "outstanding scores" will be invited to join the Army enlisted reserve corps, but will not be called to active duty until end of the school term which is current; on their 18th birthday, the announcement added.

Eligible for the tests are: High school and preparatory school graduates who will have attained their 17th but not their 22nd birthday by July 1, regardless of whether they are attending college;

High school and preparatory school seniors who will be graduated by July 1, provided they will have attained their 17th and not their 20th birthday by that date;

Students who have attained their 17th and not their 22nd birthday by July 1, who do not hold certificates of graduation from a secondary school but who are attending accredited colleges or universities.

EVATT WANTS PUBLICLY OWNED UTILITIES TAXED

Would Put Them on Level With Powder Plants.

By The Associated Press
COLUMBUS, O., March 10—Local taxation of publicly-owned utilities was advocated yesterday by State Tax Commissioner William S. Evatt.

Evatt stated his position before the house taxation committee during hearing on a bill proposing taxation of publicly-owned electric and gas utilities on the same basis as privately-owned utilities.

The commissioner, however, limited his proposal to the real estate and 1.55 per cent utility excise tax inasmuch as they are used locally. He opposed inclusion of the 1.35 per cent excise tax which is levied for the state's general revenue fund.

Evatt also recommended that municipally-owned street railway systems also be required to pay the local real estate and the 1.55 per cent excise tax.

Graves Williams of Portsmouth, president of the Ohio Chamber of Commerce, in urgent passage of the Hoffman bill said publicly-owned utilities in Ohio now are escaping \$1,000,000 real estate taxes and \$435,000 in excise taxes which must be borne by other taxpayers.

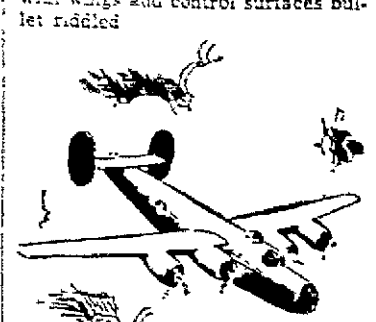

C. H. Henkle of Mansfield, representing the Empire Sheet & Plate Co., appeared in support of the bill.

CHANGE OPA POLICY

By The Associated Press
WASHINGTON, March 10—Price regulations on so-called luxury items such as expensive fur coats may be abandoned in a new policy shift toward concentration and simplification of OPA controls over basic cost of living factors. Price Administrator Prentiss M. Brown was reported today to have told a committee of senators he could regulate the selling price of articles which are not competitive with the necessities of life.

What You Buy With WAR BONDS

American airmen are battering away at Hitler's war machine throughout Europe. Precision daylight bombing is taking a heavy toll of Der Fuehrer's production plants both in Germany and conquered territory. The huge, rugged Consolidated Liberators are playing their part, coming home safely, oftentimes with wings and control surfaces bullet riddled.

The four-motored Liberators cost about \$350,000. Your purchase of War Bonds helps pay for them so our airmen may have superiority over the Nazi dictators. Keep buying War Bonds, regularly, every payday. You must if we are to win. "You Have Done Your Bit—Now Do Your Best." U. S. Treasury Department

MRS. A. M. KRAMER CLAIMED BY DEATH

Uncapher Ave. Resident's Funeral To Be Saturday.

Mrs. Frances Erich Kramer, 40, of 986 Uncapher avenue died in City hospital at 5 a. m. today after an illness of three months.

A native of Union county, she was born Sept. 11, 1902, a daughter of John C. Erich and Anna Burns Erich, both natives of Maryland. She was a member of the Lutheran church in Maryland.

Surviving besides her husband, Albert M. Kramer, is a stepson, James Henry Kramer at home, a brother, Luther Erich of Maryland, and a sister, Mrs. L. W. Barrett of Patten street.

Funeral services will be conducted Saturday at 2:30 p. m. in the Edwin K. Smith Home for Funerals chapel by Rev. M. E. Hollensen of Emanuel; Lutheran church. Burial will be made in Forest Glen Memorial park. Friends may call at the funeral home after 7 tonight.

HOUSE TO INVESTIGATE FACTORY ABSENTEEISM

Secretary of Labor Called As First Witness.

By The Associated Press
WASHINGTON, March 10—The house labor committee yesterday ordered a general investigation of absenteeism in industry and called Secretary of Labor Perkins as its first witness at hearings to start late this week.

The house naval affairs committee already is conducting a separate investigation into the same subject, and that investigation continued today.

The labor committee also approved a resolution requesting the house to authorize it to make a general investigation of the entire labor field.

The naval committee's inquiry centers around a proposal that war contractors be required to report quarterly to the war manpower commission the names of all workers absent from their jobs without prior authorization. The WMC, in turn, would pass those names on to local selective service boards.

Knox and Nimitz Good Ballast in Plane Crash

By The Associated Press
BALTIMORE, March 10—There was a time when Secretary of the Navy Knox and Admiral Chester Nimitz, Pacific fleet commander, were just good ballast.

Adlai E. Stevenson, special assistant to Knox, told Monday night at the Maryland council, Navy League dinner how it happened.

The plane carrying Knox and Nimitz on a recent inspection of the South Pacific glided toward a landing at Midway island. As it flattened to come in an engine quit and the plane landed with a severe jolt which carried away a pontoon and put a wing under water.

A hurry call for all in the cabin to go topside sent the secretary, Nimitz and the others scrambling onto the opposite wing to pull the other out of the water.

"It was ludicrous to see the round secretary pulling himself along that wing on his stomach with the commander in chief of the Pacific fleet beside him," Stevenson related.

The official weight did the trick and the party was taken safely ashore.

Auto Sticker Sales Run About Average

By The Associated Press
COLUMBUS, O., March 10—State bureau of motor vehicles spokesmen said today Ohio motorists are purchasing 1943 automobile license stickers in virtually the same volume as last year despite gasoline rationing and other war worries.

An official said the bureau was expecting a rush between March 20 and the March 31 deadline after the income tax payment deadline of March 15.

Ohio's 1942 registration of automobiles, trucks and motorcycles totaled 2,270,000.

ANTI-GAMBLING BILL PROPOSED

Measure Designed To Stamp Out "Numbers" Racket; Imposes Penalty.

By The Associated Press
COLUMBUS, O., March 10—The weight of the attorney general's office was placed today behind legislation designed to stamp out the "numbers" or "policy" gambling racket by imposing prison terms on the promoters.

The proposed new laws strike at "numbers" customers for the first time with a provision for a fine of \$50 to \$500 for the first offense and a maximum fine of \$1,000 and six months' imprisonment for the second.

Atty. Gen. Thomas J. Herbert, appearing last night before the house of representatives judiciary committee, disclosed that his office drafted three of the anti-gambling bills before the legislature.

"They were prepared, he said, after an investigation in Mahoning county (Youngstown) showed that the present laws were not stringent enough to eradicate the "numbers" racket.

The most severe penalty which now may be imposed under state law for promoting or furthering a lottery, or game of chance is a \$500 fine and a 90-day jail sentence.

Fine and Sentence
Under one bill being considered by the house judiciary committee anyone who sold tickets in a lottery or scheme of chance, "by whatever name," would be liable to a \$500 fine and six months in jail for the first offense, and a maximum fine of \$2,500 and one to three years in the penitentiary for the second offense.

A second bill provided a maximum fine of \$2,500 and one to three years' imprisonment for anyone convicted of promoting or backing a scheme of chance.

Opponents of the bills told the committee the proposed laws were so broad they covered "harmless gambling" such as church bingo games and theater bank nights.

The judiciary committee deferred action on the bills and in-

structed a sub-committee to redraft them into one measure.

Earlier, the house completed action on a resolution inviting Capt. Edward V. Rickenbacker, aviation ace, to speak before the legislature. The vote was 113 to 5.

Wants Rail Speaker
Rep. Ledy Huml (D-Cuyahoga) unsuccessfully sought to amend the resolution to extend a similar invitation to A. F. Whitney, president of the Brotherhood of Railroad Trainmen. He declared that it "would be very unjust to allow Rickenbacker to come here and exhort us against the working people" without permitting the legislature to hear labor's side.

The house, despite opposition of Democrats denouncing an immediate vote, sent to its reference committee a resolution proposing an investigation of the administration of the sales tax.

The senate, striking at reported black markets in coal, passed to the house a bill prohibiting any dealer, slaughterer or processor from possessing the meat of a calf less than four weeks old or not sufficiently mature for human consumption.

Ordinance Production Runs High in February

By The Associated Press
WASHINGTON, March 10—American ordinance manufacturers today had a muck of 50 high explosive shells a minute and 500 cartridges a second to shoot at during March production.

That was their production record during February. Undersecretary of War Robert T. Patterson reported, disclosing that the shops and arsenals turned out 410,000 bombs, 7,800 weapons-bearing combat vehicles, and 244,000,000 cartridges in the month.

Reporting that production is 300 per cent higher than a year ago, Patterson said the 1943 goal of \$57,000,000 worth of arms, ammunition, supplies and installations would be met—despite the fact that Hitler "told us it could not be done."

Promote 2 War Plant Officers

Area Engineer H. D. L. Van Bockern Made Major; William F. Schipper Becomes Captain.

Two promotions were announced today at the Scioto Ordnance Plant for men in the corps of engineers. H. D. L. Van Bockern, area engineer, who has been with the Scioto project since 1931, has been promoted from captain to major. William F. Schipper has been promoted from first lieutenant to captain.

Major Van Bockern has been in the Ordnance Plant for four years, succeeding Lieut. Col. Robert Lockridge. During Col. Lockridge's term as area engineer, Major Van Bockern was executive officer to the area engineer.

A graduate of the University of Tennessee in 1932 where he received his bachelor of science degree, he worked for a time at his home in Lanesville, Pa., and later became a company commander in a civilian conservation corps camp in southern Pennsylvania for four years. The experience he obtained in construction work through directing the activities of a CCC company engaged in that kind of work led to his appointment as assistant constructing quartermaster at the Ravenscroft Ordnance Plant in March of 1941. He became executive officer to the area engineer at Ravenscroft in December of 1941, and retained that position until he came to Scioto Ordnance Plant in March of 1942 as executive officer to the area engineer.

Social Affairs

MISS RUTH KRAMER, district governor of Altrusa Clubs, presided on the history of the club and the organization from the local groups to the international organization at a meeting of the Marion Altrusa club last evening with Mrs. Ruth Kramer of 324 E. Center street. Miss Edith Treat was a constant hostess.

It was announced that the Harding High school a cappella choir under the direction of L. G. Jones, will furnish entertainment for the dinner meeting to be held March 23 at Hotel Harding.

During a short business session the club voted a contribution to the Red Cross campaign, doubling last year's contribution.

MISS BETTY STEVENS of 451 Silver street entertained with a dinner last evening for the pleasure of William Glimper, who will leave Friday for Fort Benjamin Harrison, Ind., where he will be inducted into the armed forces. A patriotic theme was emphasized in the dinner appointments and favors. Mr. Glimper was presented a number of remembrances. Covers were placed for the honor guest and Mrs. Joan Judy, Miss Nellie Fritz, Miss Jean Armbruster, Philip Shockey, Harold Baker, Mahlon Buller and the hostess, Mrs. Reed Stevens assisted her daughter.

Mrs. Paul Knuss of Windsor street entertained with a dessert luncheon preceding the meeting Tuesday afternoon of the Three Arts club. Mrs. M. C. Richmond was assistant hostess.

The program, in charge of Mrs. Frank Fields, consisted of a paper on "Columbia" by Mrs. Walter

Personal Mention

Mr. and Mrs. James Kumbel of Fort Wayne, Ind., spent the weekend with the former's grandparents, Mr. and Mrs. Zachman of 212 South Prospect street. Mr. Kumbel will leave Friday for Camp Perry where he will enter training for Army service.

Miss Virginia Dickson, daughter of Mr. and Mrs. Rolla E. Dickson of Mt. Vernon, a former student of Thomas A. Edison Junior High school, is spending a vacation with friends here. She is a student of the Mt. Vernon Academy of Seventh Day Adventists.

Physical Fitness Night To Be Held at Galion

SPECIAL TO THE STAR
GALION, March 10.—To demonstrate to the public the work being accomplished in the "Physical Fitness" classes in the physical education departments of the Galion junior and senior high schools, a "Physical Fitness Night" program will be given Friday evening, March 12 in the gymnasium at the Junior High school.

The physical education instructors in charge are Mrs. Janet Kesler and J. L. Lynner, instructors of girls and boys, respectively.

The program was announced today by the instructors. It will open at 7:15 o'clock and will include mass calisthenics by both junior and senior high school pupils; tumbling by the junior and senior high boys, and a demonstration by Marion High school tumblers under the direction of Victor Dorris, instructor in the Marion school.

At 7:50 a miscellaneous program will be presented by junior and senior high students.

From 8 to 8:15 there will be games by the seventh, eighth, and ninth grades.

This will be followed with a combination of Hockey and football game by the high school.

Activities by the girls will start at 8:25 and continue until 9 o'clock. This will include basketball and volleyball games, ping pong and relays by seniors and the junior high school.

The remainder of the program by the boys will include wrestling, boxing, shoulder against wall demonstration, rooster fighting, blocking. A dance will follow the last event.

SALES TAX RECEIPTS ON INCREASE IN MARION CO.

Trend in Collections Over State Is Downward.
Sales of prepaid tax receipts in Marion county continued to increase over last year's figures, according to collections for the week ended Feb. 20. Collections for the period amounted to \$7,179.33 and for the similar period last year were \$5,532.85, a gain of 29.7 per cent. Collections to date this year stand at \$45,358.42, last year, \$44,050.39.

Throughout the state the trend in sales tax collections was downward for the period ended Feb. 20, the report from the office of Don H. Ehrig, treasurer of state showed. Collections this year were \$6,328,665.03 and for the like period last year, \$6,680,690.28.

Collections for the week ended Feb. 20 and to date in counties around Marion with figures for last year in parentheses, included: Crawford, week ended Feb. 20, \$2,110.92 (\$2,929.77); collections to date, \$8,872.81 (\$10,198.73); Delaware, week ended Feb. 20, \$89.62 (\$1,111.12); collections to date, \$15,268.53 (\$14,549.26); Morrow, week ended Feb. 20, \$221.83 (\$25.68); collections to date, \$2,007.71 (\$3,469.71); Fulton, week ended Feb. 20, \$1,496.55 (\$1,101.24); collections to date, \$8,714.27 (\$9,643.95); Van Wert, week ended Feb. 20, \$1,872.79 (\$1,165.73); collections to date, \$9,661.57 (\$10,142.53).

MISSION BAND ELECTS

In the recently reorganized Mission band of Calvary Evangelical church Ruth Vail holds the office of president, Marilyn Thompson, vice president, Carolyn Self, secretary, Helen Howard, pianist, and Rose Marie Hinnman, chorister. Mrs. Ivan Howard is superintendent, with Mrs. Mildred Kuntz, Miss Madella Seiler and Mrs. Harvey Kline, teller assistants. Meetings will be held in the church the second Sunday of each month beginning with Sunday next week following Sunday school services.

POLITICAL LEADER DIES

By The Associated Press
CLEVELAND, March 10.—An active figure in Democratic politics here, Maurice Rohrer, 82, died yesterday. He founded the Sterns Advertising Co. of Cleveland.

DIVIDEND DECLARED

By The Associated Press
AKRON, O., March 10.—A dividend of 37 1/2 cents a share on common stock was declared by director of the Firestone Tire & Rubber Co., payable April 20 to holders of record April 5.

558 By Louis Wheeler

CONTROVERSY over wearing of slacks by students on the Wellesley college campus was raging until Madame Chiang Kai-shek visited her alma mater to speak.

The wife of China's generalissimo appeared on the campus dressed in the outfit pictured above. The discussion was ended and slacks are worn.

HIGHER CEILING ON DAIRY PRICES ASKED

Seek To Halt Slaughter of Herds for Meat.
By The Associated Press
WASHINGTON, March 10.—Senators investigating reports of the wholesale slaughter of dairy cattle for beef called today for an immediate increase in ceiling prices of dairy products to a level high enough to prevent shortages.

Army Rejections Run High

By The Associated Press
WASHINGTON, March 10.—One reason why the manpower pinch is going to hit some homes sooner than generally expected: the number of rejections under selective service now is running more than 40 per cent of those examined, the war manpower commission says.

Here's the record: Approximately one-half of the first 2,000,000 registrants examined were rejected as physically or mentally unfit, nearly 21 per cent were turned down for dental defects, nearly 14 per cent because of their eyes.

Then, early last year, the army lowered its eyesight and dental standards. The rejection figure for the period of May through December was a shade over 34 per cent.

The new increase is attributed to a trend to older men, including married men without children.

Civil Rule Partially Restored in Hawaii

By The Associated Press
HONOLULU, March 10.—Military government over the territory of Hawaii gives way in part today to civil government after 15 months and three days—ever since the Japanese sneak aerial attack on Pearl Harbor drew the United States into the second World war.

The restoration becomes effective formally at a ceremony (3:30 p. m. eastern standard time) in historic Iolani palace. In the presence of a joint session of the Hawaiian legislature, Territorial Governor I. M. Stainback, Admiral Chester H. Nimitz and Lieut. Gen. Delos Emmons effect the formal transfer of powers.

Eighteen agencies of government, mostly emergency organizations established under military rule, are being restored to civilian control. Martial law, however, remains in effect and civil writs of habeas corpus still are suspended.

PARTY AT NEVADA

NEVADA.—The firemen entertained their wives at a party Saturday night in the firemen's hall. A covered dish supper was served, after which cards and games were played. Out-of-town guests included Mr. and Mrs. Everett Keller of Columbus.

Weddings

Announcement has been received here of the marriage of Miss Mildred Cochran, daughter of Mr. and Mrs. George Cochran of near Marion and Pic Carol Reams, son of Mr. and Mrs. Walter Reams of Marion. The wedding took place in Bossier City, La. on March 1.

Mrs. Reams was graduated from Marion High school in 1940. Pic Reams is stationed at Barksdale Field, La. They will make their home in Shreveport, La.

Galion Couple Wed at Miami Beach, Fla.

SPECIAL TO THE STAR
GALION, March 10.—Announcement is made here this week of the marriage of Miss Ila Dill, daughter of Mr. and Mrs. G. E. Dill to Lt. Lloyd E. Williams, son of Oscar Williams.

The ceremony took place March 3 in the Lincoln Road Congregational church, Miami Beach, Fla.

Mrs. Ruth Mumm of Loudonville was the bride's attendant while Lt. Alex Kennedy served as best man. The wedding party and the bride's mother attending a wedding dinner after the ceremony at Olney Inn.

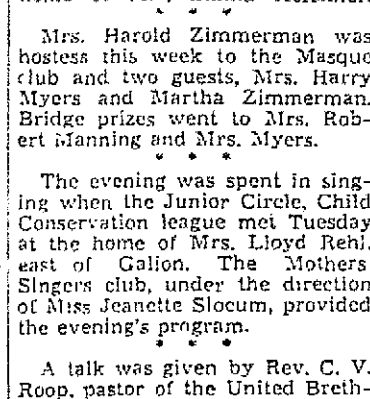

Lt. Williams and his bride left immediately for Santa Ana, Calif.

Members of the C. K. of Ohio met Tuesday at the home of Mrs. Homer Peninger.

The March meeting of the B. F. L. club was held Tuesday at the home of Mrs. Emma Hershner.

Mrs. Harold Zimmerman was hostess this week to the Masque club and two guests, Mrs. Harry Myers and Martha Zimmerman. Bridge prizes went to Mrs. Robert Manning and Mrs. Myers.

NEEDLEWORK PATTERN

558 By Louis Wheeler

Stop right here if you're looking for something very new in a crocheted set. This smart and different "floral strip" design makes easy pick-up work. Use three strips for a chair back, five for a sofa back, and one each for arm rests. Make scarf ends, too. Pattern 558 contains directions for set; illustrations of stitches; list of materials required.

Send 11 cents in coins for this pattern to The Marion Star, Needlecraft Dept., 82 Eighth Avenue, New York, N. Y. Write plainly pattern number, your name and address.

Because of the slowness of the mails resulting from the heavy traffic at this time, delivery of patterns may take a few days longer than usual.

Springfield Home Group To Initiate Bethel Class Here

PLANS for the meetings for the Springfield Home Group to initiate a Bethel Class here were made at a meeting of Marion Bethel No. 2, Job's Daughters, Tuesday evening at the Masonic temple.

Friday, March 26 a group of girls from the Marion Bethel No. 2, Job's Daughters, will initiate a class of candidates at the Bethel temple. The meetings will be preceded by a potluck dinner.

The group will hold a sports dance March 27 at the temple with Dick Zakra's orchestra furnishing the music and on Sunday morning, March 28 they will attend church services at Trinity Baptist church in a group.

Club Is Entertained at Caledonia Home

SPECIAL TO THE STAR
CALEDONIA, March 10.—Mrs. Emma Delis entertained the P.O. Mine club Thursday. Awards in bridge were won by Mrs. Florence Thompson and Mrs. Helen Clark. Guests were Miss Helen Ott, Mrs. Ruth Clark and Mrs. Mabel Jury.

There will be regular services at the Caledonia Universalist church Sunday March 14 at 7:30 eastern war time. Rev. Stanley C. Stall in charge.

Mrs. Mabel Jury received word that Pvt. Thomas L. Walker is confined to the hospital at Camp Polk, La., suffering from an infection.

Rejection of athletes by army doctors has centered attention again on the army's physical standards.

Leo Durocher, manager of the Brooklyn Dodgers baseball team, was turned down because of a perforated eardrum, other ballplayers have been rejected because of hernia.

Some of the other reasons for rejection on physical grounds as listed by the army, in addition to more apparent disabilities, include: Chronic sinus trouble, severe hay fever, stammering or stuttering, ulcer of the stomach or duodenum.

What about rehabilitation of rejectees?

More than a year ago selective service headquarters, in response to a request from the President, made plans to rehabilitate some 200,000 rejectees.

But now the program is dormant.

The reason? A shortage of doctors.

ARMY CRITICS GIVEN REPLY

Army critics for Top Farm
Output Before
Forces.

Associated Press—The Army is not content with the present situation and with the present results in industry, agriculture and in our civilian life. I suggest that you go to the great camps and see how they are working. I suggest that you read the reports from Tunisia and the Southwest Pacific about the fighting efforts of our soldiers. I suggest that you compare your comfort of life with theirs, and then ask yourself again—are we winning?

Criticism of the proposed size of the Army, said the secretary,

Amazing way to be Mentally ALERT ...Physically FIT!

1—Promote the flow of vital digestive juices in the stomach
2—Energize your body with RICH RED BLOOD!

These two important steps may help you overcome the discomforts of indigestion, loss of appetite, underweight, digestive complaints, weakness, nervousness, mental alertness!

If you are subject to poor digestion or indigestion, red blood is the cause of your trouble. You have no organic stimulation or local infection. S.S.S. Tonic may be just what you need as it is specially designed to promote the flow of vital digestive juices in the stomach and to build-up blood strength and vitality.

Build Sturdy Health
so that the doctors may better serve our fighting forces.

Thousands and thousands of users have testified to the benefits S.S.S. Tonic has brought to them and scientific research has proved that it gets results—that's why so many use S.S.S. Tonic to build sturdy health.

It makes you feel like yourself again! It improves 10 and 20 cc. sizes \$2.50, 50 cc. \$5.00.

S.S.S. TONIC
helps build STURDY HEALTH

RUMMAGE SALE

*Friday and Saturday first door east of court house, by American Legion Auxiliary.—Ad.

RESULTS FROM THE DELUSION

that the war can be won "in some easy manner and without too much trouble and sacrifice."

That size—3,200,000 men by the end of 1943—has been fixed after months of study by the general staff and the War College. Stim-

son explained, "correlated with studies of the Navy and the Maritime Commission, and approved finally by the President."

"They have thus had the benefit," he asserted, "of all the brains, accumulated research, and judgment which our governmental machinery provides for that purpose. They have not been worked out in disregard of, but in full reference to, our program of shipbuilding and production of equipment."

Governing the decisions of the size of the army, navy, marine corps and coast guard, Stimson said, were the combat plans of the armed forces, integrated with careful estimates of supply possibilities.

Fighters' House in Order

"The armed forces, the men who are going into actual combat," he declared, "have placed their house in order. Their spirit and their program are all that patriotism and careful planning can effect."

He also warned that congressional interference with growth of the armed forces would deal a heavier blow to hopes for a final victory than any losses likely to be suffered in battle.

During the whole process of training takes at least a year," he said, "and if you interrupt the steady flow of entrants in March, 1943, the effect of this break will be produced a year later and then, if it proves a mistake, cannot be corrected for at least another year."

Stimson said America's enemies have about 17,000,000 men under arms.

Estimates based on the best available information, he said, are that Germany and her allies have 14,000,000 men in Europe, and "Russia and Britain together have a much smaller number." In Asia, he said, the Japanese have approximately 3,000,000 men under arms.

A comparison of combat units, said the secretary, discloses an even greater disparity—Germany 300 divisions, Italy 80 divisions and Germany's European satellites another 80 divisions, or a total of 460 divisions in Europe. Japan has some 86 divisions.

America's plans, on the other hand, call for organization of approximately 100 divisions, he pointed out.

AT CO. H MEETING

Harold Deans, seaman second class, who is serving on Lathrop from the Naval training station at Great Lakes, Ill., visited the drill meeting of Co. H, Ohio State Guard, at the armory last night. Fifty members of the company were present for the meeting.

Carl E. Ebert stated, Plans were made for a dinner to be given Tuesday night at Hotel Harding for Major George E. Biggs of the Fifth Service Command at Ft. Hayes who will inspect the local company Tuesday night. Invitations have also been extended to Col. E. W. Brannon, commander of the second unit, and his staff and Lt. Col. Albert B. Rankin, commander of the second battalion, and Dr. T. H. Sutherland.

AMERICAN lend-lease aid to
Soviet Russia is not being
revealed to the Russian people,
according to Admiral William
H. Standley, above, U. S. envoy
in Moscow. He said it was be-
cause the Soviet government
is trying to "create the impres-
sion with their own people that
they are pulling themselves
through by their own boot-
straps."

TAX PLAN

(Continued from Page 1)

4,000,000 new taxpayers.
The plan would do the
same thing with those taxpayers
who have paid in full their 1943
obligation by July 15.

4. In the case of those tax-
payers whose tax liability is above
the withholding rate and those in
the first bracket having income
other than wages and salaries,
they will go ahead and pay their
third and fourth installments on
September 15 and December 15,
but the amount of these payments
would be the affected part of 1943
obligation minus payments made
under the withholding levy.

5. The committee is consider-
ing a plan to offer a small dis-
count to taxpayers who elect to
pay off the past year in full and
bring themselves to a current
basis. No decision has been
reached on the amount of this
percentage. (Although 5 or 10 per
cent has been discussed.)

May Change Date
The committee is considering
also moving the date for filing re-
turns back from March 15 to an
earlier date and the possibility of
persons with income other than
wages and salaries paying taxes
for one year in the subsequent
year by a single payment at the
time of filing the return, or, at
the election of the taxpayer on a
monthly basis instead of the present
quarterly payments.

On the committee's failure to
approve any tax statement Chair-
man Doughton (D-N.C.) said "can-
cellation of a whole tax year is
too big a price to pay for pay-as-
you-go."

Under the compromise plan, the
taxpayer could:

1. Continue paying in one year
on taxes based on the previous
year's income, or

2. Pay off the last year in full
and proceed on a current basis,
which would then pay through
the withholding levy being ap-
plied to his tax bill for the year
in which the collections are made.

The committee probably will
vote on the compromise today,
transferring the sizzling pay-as-
you-go issue to the house floor.

Proponents of the compromise
said it would provide:

1. All persons with taxable in-
come in 1942 would file their
returns and pay one-fourth of
their 1942 obligation on March 15
and another quarter on June 15,
as usual.

2. Persons having taxable in-
come in 1943 but not in 1942
would be put on a current pay-
ment basis on July 1 through the
20-per-cent withholding levy and
some system of periodic collec-
tions against income other than
wages and salaries.

3. Other taxpayers would be
put on the withholding basis and
given the option of paying in one
year on the basis of income the
previous year as at present, or if
they desired in the future, could
"double up" by paying off the
previous year and thus having
the withheld tax of their earnings
applied to the taxes on current
year income.

4. A discount, probably 10 per
cent on outstanding tax obliga-
tions, to encourage taxpayers to
pay off the previous year in full,
and begin remitting on the cur-
rent year.

Morrow Co. Machinery

Quota Is Increased

MT. GILEAD, O., March 10 —
Clay Renz, county war board
chairman, announced this week
that Morrow county's quotas on
five items of farm machinery had
been increased, and that there is
now available in addition to pre-
viously announced quotas, one
riding two-horse cultivator, 15
tractor plows, three rotary hoes,
two pulverizers or cultipackers,
and two manure spreaders.

Mr. Renz, in announcing this
additional quota, expressed par-
ticular gratification of the increase
in available tractor plows, since
on the basis of the first allotment
a number of requests from qual-
ified applicants, according to Mr.
Renz, had to be refused.

The schedule for the Monday
showings is as follows:

Thomas A. Edison Junior High
school, 9 a. m.; Glenwood school,
10 a. m.; Vernon Heights Junior
High school, 11:30 a. m.; Silver
River, 1:15 p. m.; Mark street, 3:15
p. m.; Central Junior High school,
3:30 p. m.

CONTINUANCE OF
LEND-LEASE LIKELY

Rep. Smith of Marion Speaks
in Opposition.

By The Associated Press

WASHINGTON, March 10 — Out-
let of the international uproar over
American lend-lease aid to Rus-
sia, one fact emerged clear-cut
today—that the house will ap-
prove continuance of the program
for another year.

The roll will be called late
today.

Even though Republican and
Democratic leaders expressed
confidence the bill would win
overwhelming approval, the asser-
tion of U. S. Ambassador Wil-
liam H. Standley in Moscow that
the Russian people are not being
told the full story of American
aid still excited comment.

Reaction in congress was mixed.
It ranged from the suggestion of
Chairman Sumner (D-Tex.) of
the house judiciary committee that
this nation "be patient," to the
statement of Senator Wheeler (D-
Mont.) that "Stalin is a realist—
he's for Russia first and last."

These developments followed
Standley's statements:

1. Undersecretary of State
Sumner Welles said he had cabled
Standley for a text of his re-
ports that they were made without
consultation with Washington.

2. The Moscow radio broad-
cast the complete text of a recent
lend-lease report listing the
amount and nature of war sup-
plies shipped from the United
States to Russia.

3. From London came official
reports that Sumner Welles already
is under way for talks among the
United States, Great Britain and
Russia for an immediate under-
standing on postwar problems.

4. A comment by Wendell
Willkie, Republican nominee in
the last presidential election and
recent visitor to Russia, that "I
know of no Russian who is ig-
norant of the fact that we are
helping her with materials and by
our fighting on other fronts."

Despite the Standley affair, the
only voice raised against contin-
uing lend-lease in yesterday's
house debate was that of Rep.
Smith (R-Ohio), who protested
that "we are giving away the
wealth of three centuries."

Izvestia Prints

Stettinius Report

MOSCOW, March 10 — Two
days after the statement by Ad-
miral William H. Standley, U. S.
ambassador, that the Russian peo-
ple were not being properly in-
formed of American lend-lease
aid to the Soviet Union, Izvestia,
government newspaper, printed on
its back page today an article
supplied by Tass from New York
and based on an article by Ed-
ward A. Stettinius Jr., American
lend-lease administrator, in the
American magazine.

The statement was carried un-
der the headline: "Stettinius
statement on American food sup-
plies," and represented by far the
most inclusive light thrown here
thus far on the aid to the Soviet
Union.

Izvestia has a circulation of
about 8,000,000.

The article was not carried in
Pravda, organ of the Communist
party, or in Red Star, organ of
the Red Army.

Ambassador Standley's state-
ment has not been published nor
has a recent Stettinius statement
concerning trucks, jeeps, motor-
cycles, military tractors, rails and
telephones.

In the article printed in Izvestia
Stettinius was quoted as writing
that the great majority of food
supplies shipped in 1942 consisted
of pork, dairy products, fats and
eggs.

NEW ZEALAND DOES BIT

By International News Service

WELLINGTON, New Zealand —
The Public Works Ministry has
revealed plans to manufacture
large numbers of prefabricated
buildings for use outside New
Zealand. The project is to absorb
all available labor in centers
where no defense works are being
pushed. The use to which these
buildings will be put was not dis-
closed.

Mulvaine Sets New Scoring Record as Harding Wins

Scores 38 Points As Prexies Sink Grandview.

By LOREN W. TIBBALS
Marion Star Sports Editor

SCORING only to a point less than twice the amount of the opponent, Grandview team, Dick Mulvaine set a new Central district Class A individual scoring record for one game with 38 points as Harding pitched a 76-20 victory in a quarter-finals game at Ohio State university gym last night.

The track meet will send Harding into semi-finals play, dated for Saturday night. Harding's foe will be Delaware Valley.

In other games last night Columbus Central trounced Columbus Aquinas, 19-30; Newark trampled Westerville, 76-23; and Delaware edged out a 35-23 decision over a favored Upper Arlington team.

Last night's set of games was marked by high scoring performances. The standing Central district scoring total for one game, 24 by Newark's Dee Snelling last year, was smashed by another Newark star, Fred Schaaf, who scored 29 points. Jack Bickie, Newark guard, counted 12 points in the first half and appeared to be headed for a new mark. After running the total to 21 points early in the third period Bickie failed to connect on a half dozen easy attempts and finally saw Schaaf post the new record. Before fouling out late in the fourth period Schaaf added three points to the Snelling's old mark.

Not New Experience
Schaaf's reign as district scoring champion was short lived, however, for Harding's Mulvaine boosted the total almost out of reach. Setting records is not exactly a new experience for the six foot three senior. During the recent N. C. O. season the big forward totaled 190 for the season, breaking the old record by 27 points. In addition his 35 point game against Bucyrus earlier in the year was also a one-game record and his 240 for the entire season is a new Harding team mark.

Dick scored 21 points in the first half, added six in the third and 11 more in the final period. A follow up shot midway in the fourth period gave Dick 29 points, equalling the Newark star's total. A half minute later he scored a set shot from the side court, followed by a one hander from close range. A snap pass from Fritz Guy resulted in an easy sucker shot for Dick. On the next play Mulvaine stole a Grandview dribble at midcourt and raced for another lay up shot to end the scoring.

While Mulvaine was in top form in shooting a lot of credit due other members of the Prexy squad. After it became evident that Dick would break the record his mates gave him every chance to score.

Louck Scores Eight
Virtually every one of the starters played a bang up game, both offensively and defensively. Frank Louck did a remarkable job of pinch hitting for Dick Cleary, stellar guard who is recovering from an attack of flu. Louck scored eight points for second honors. Stu Young, Charlie Pozio and Tom Hurst of the starting line-up and Substitute Fritz Guy, a sophomore, scored six points each.

Bob Taylor, a forward, was high for Grandview, scoring eight points.

Harding took a 14-4 lead at the end of the first quarter and widened the difference to 36-14 in the second period. The Presidents piled up a 94-6 second half scoring advantage.

Despite Harding's fine appearance in last night's district session, Newark, by virtue of its 76-33 handiwork of Westerville, remained the class of the tofrway. Newark, now coached by Max Douglas, is favored to defeat Columbus Central and Harding is expected to end Delaware's fine string of three tournament upsets.

Sights Another Mark
With the one game scoring crown already fastened down Mulvaine will be out in the next two games to break the record of 74 points set by Snelling of Newark in four tourney affairs. Dick already has 47 and his nearest rival, Schaaf of Newark, has 43.

Six of the best wrestlers to ever appear in any battle royal, in any city has signed for Thursday mat show at the Armory. The six men include—Rufus Jones, the head-buttling colored star from New York; Johnny Vausky, who gave Farmer Jones his hardest; Marion match, Fred Carone, New England's heavy-weight champ; Buddy Knox, likable chap from Nashville, Tenn.; Rene LaBell, French-Canadian from Toronto, Canada; and Steve Nenoff, Bulgarian grappler from Toledo. All six will start off at 8:30 and the first two to have their shoulders pinned will be out of the going, the next two to loose return for the 45 minute semi-final and the last two left in the ring return for the two hour main event. Prices are Gen. 50c. Reserved Rideside 75c, kids 25c. (All taxes paid). Advance lay-downs by calling Market & Lewis Cigar Store.—Adv.

WANER BROTHERS TOGETHER AGAIN

They'll Perform for Dodgers as Result of New Deal.

By HAROLD CLAASSEN
Associated Press Writer

NEW YORK, March 10.—The Brooklyn Dodgers, known in previous days as the Dodgers, have brought the Waner brothers together for the third time on a major league baseball club.

The outfield act that wowed the fans for 14 years in Pittsburgh and for a short time in Boston now is going into a rehearsal for a Brooklyn appearance. Paul was picked up during the winter as a free agent and Lloyd was acquired yesterday in the trade that sent Babe Dahlgren to Philadelphia.

Paul, older by four years and now approaching 40, joined the Pittsburgh club in 1929, a year before his brother.

For years the pair has been known as "Big and Little Poison," a nickname picked up when the Pirates of 1927 battled the New York Yankees in the World Series and a Pittsburgh fan, not too familiar with the Buccaneers, in a heavy accent asked a fellow spectator to identify the "big person on our club."

Paul, now one of three National league players ever to connect for 3,000 hits, was pointed out and his younger brother automatically became "Little Poison."

It was during this season that Paul won the first of his three league batting championships and was declared the loop's most valuable player. And it wasn't their fault that the Pirates lost the world title in four straight to the Yankees as Lloyd batted .400 in the series and Paul .333.

JENKINS ON VERGE OF ANOTHER HOCKEY RECORD

May Break Own Previous Mark for Most Assists.

By The Associated Press

Hershey's Roger (Broadway) Jenkins, who has served more time in major and minor penitentiaries than any other skater in the American hockey league, is on the doorstep of another loop record.

The bruising backliner needs to set up only two more plays to crack the mark of 28 he established last season for assists scored by a defenseman.

For four years the circuit's high water mark for defenseman was 19 which was finally broken by Chuck Shannon of the Buffalo Bisons, in 1940-41. Jenkins then set the present mark the following campaign.

Hershey entertains the Pittsburgh Hornets tonight while the Providence Reds play in Washington.

Chicago Races To Be Doubled Up This Year

By The Associated Press

CHICAGO, March 10.—Chicago will have its six horse race meetings again this season, but only three tracks will be involved.

Washington, Hawthorne and Sportsman's park each will hold their regular programs—Sportsman's opening and closing the Chicago season with its two meetings—but Arlington Park's 36-day card will be conducted on the Washington track and Lincoln fields' meeting will be run at Hawthorne.

The shift from the two outlying tracks was made in order to cooperate with government transportation regulations.

Phils and Giants Have Player Deal in Fire

By The Associated Press

PHILADELPHIA, March 10.—The Philadelphia Phillies are cooking up a new player deal, this time with the New York Giants.

Manager Bucky Harris would say only that there is "something going on" and a trade probably will be announced within a few days.

The Phillies yesterday traded Albin Glossop and Lloyd Waner to the Brooklyn Dodgers for Babe Dahlgren.

LOBERT TO JOIN REDS

By The Associated Press

PHILADELPHIA, March 10.—Hans Lobert, former Philadelphia Phillies manager, leaves for Cincinnati today to take over his new duties as coach of the Reds, who begin spring training at the University of Indiana, Bloomington, on March 15.

KAYO EXPECTED IN CLEVELAND FIGHT

Veteran Wright Is Ready To Meet Young Joey Pirrone.

By The Associated Press

CLEVELAND, March 10.—Durable Chucky Wright, former featherweight champ, meets lightweight Joey Pirrone of Cleveland in a 10-rounder at the arena tonight and it's even money one of the other will score a knockout within four rounds.

Pirrone packs a terrific punch but is short on experience, and the odds makers believe he will have to unhook a pay-off wallop early. Wright is also a powerful hitter, but his ring knowledge is expected to provide the difference if the fight goes the distance.

The veteran Wright, who even smokes cigars while training, is reluctant about his 4-0 and only admits to being over 30. He has participated in more than 300 fights in his 11-year boxing career. Chucky once hung up his gloves for a year and a half to serve as chauffeur for Mae West. Wright just his New York State Athletic commission featherweight title to Willie Pep last November but he still insists he won that one.

The fight is the biggest opportunity to date for young Pirrone. He recently lost a decision to Lulu Costantino, but made a favorable impression by twice flooring the previously un-felled New Yorker. He followed up that stunt with 10 knockdowns over Joey Archibald, who formerly owned a featherweight title.

Joe Maxim, Cleveland heavyweight, is matched with Curtiss Sheppard of Pittsburgh in a 10-round semi-final.

SNATCHES OF SPORTS

By HUGH FULLERTON JR. Associated Press Sports Writer

NEW YORK, March 10.—With a Brooklyn outfield squad composed of 41-year-old Johnny Cooney, Paul Waner, who'll be 43 before the season starts, Lloyd Waner, 39, Dixie Wicker, 31, and Joe Medwick, 31, Boss Brannan Rickett might be accused of trying to work an old Dodger on the fans. It's a little different with the Indians, who turned Ted Szepkowski out to Baltimore so he could finish his high school course before being inducted into the Army. Johnny Cooney's son busted a hand recently knocking a fellow out. He'll never be a Dodger if he's that brittle. What price victory? It cost the N.Y.U. track team two bucks to fill the I.C.A.A. trophy with beer so they could toast last Saturday's triumph.

Today's Guest Star — Paul Waner, Baltimore Evening Sun. The star's last game was a 1-0 victory over the University of Maryland. He has a \$11500 salary. And there's more to the recommendation. The coach's job is to produce a skilled, colorful and winning team. That's a tough job in the Southwestern conference in peacetime when baseball is new.

It Burned Him Up.—When George Von Elm, former national amateur golf champion, shot a wild one into a trap at Los Angeles, Lakeside course recently, he found his ball had rolled into a paper bag. George isn't used to being in traps, or bags either, but the situation didn't stump him. He merely kicked a match, burned the bag and then played his shot. Wonder if the match could be counted as his 15th club?

Postman's Paraphrase.—A bit too late, Jack Miller of the Independence, Kas., Army basic flying school, points out that those low pre-flight cadets who accomplished 1,000 sit-ups each didn't set any record. The mark, he says, is 1,600 and was made years ago by Dr. James E. Barnes of Youngstown, O., president of the Ohio Association of Boxing Commissions. Navy Cadet Sam Sturges now.

That Extra Something!

...You can spot it every time

ALL America values the extra service that the Women's Army Auxiliary Corps brings to the war effort. And Americans, too, set store by the simple things that help build morale.

Ice-cold Coca-Cola, for example, does a special job in refreshing folks. You know from experience that its taste is deliciously different. And Coca-Cola does more than quench thirst. It brings a delightful after-sense of refreshment that never fails to please. Choicest ingredients and 57 years of experience have helped make it the best-liked soft drink on earth.

An original creation to begin with, the taste, refreshment and quality of Coca-Cola set it apart. So make sure you get the real thing. There's no comparison.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called Coke. Both mean the same thing... "coming from a single source, and well known to the community".

Army needs come first. That's why you see plenty of Coke at Post Exchanges. In civil life, Coca-Cola being first choice sells out first, now that there's less of it in wartime.

The best is always the better buy!
